

LANE RESTRICTIONS

Departures Level Terminal 2 / Terminal 3

Nightly Construction Hours: 11PM to 4AM

Beginning Friday, March 20, 2020

Through late April 2020: Two drop-off lanes closed

Through mid-November 2021: One drop-off lane closed

ACTIVITY

- On Friday, March 20, nightly work to install a temporary pedestrian sidewalk, construction barricades and protective canopy on the Departures Level between Terminals 2 and 3 begins as part of the Delta Sky Way Program
- Construction barricades, which will encompass the existing sidewalk at this area, are scheduled to be complete by late April 2020 and in place through mid-November 2021

PEDESTRIAN RE-ROUTE

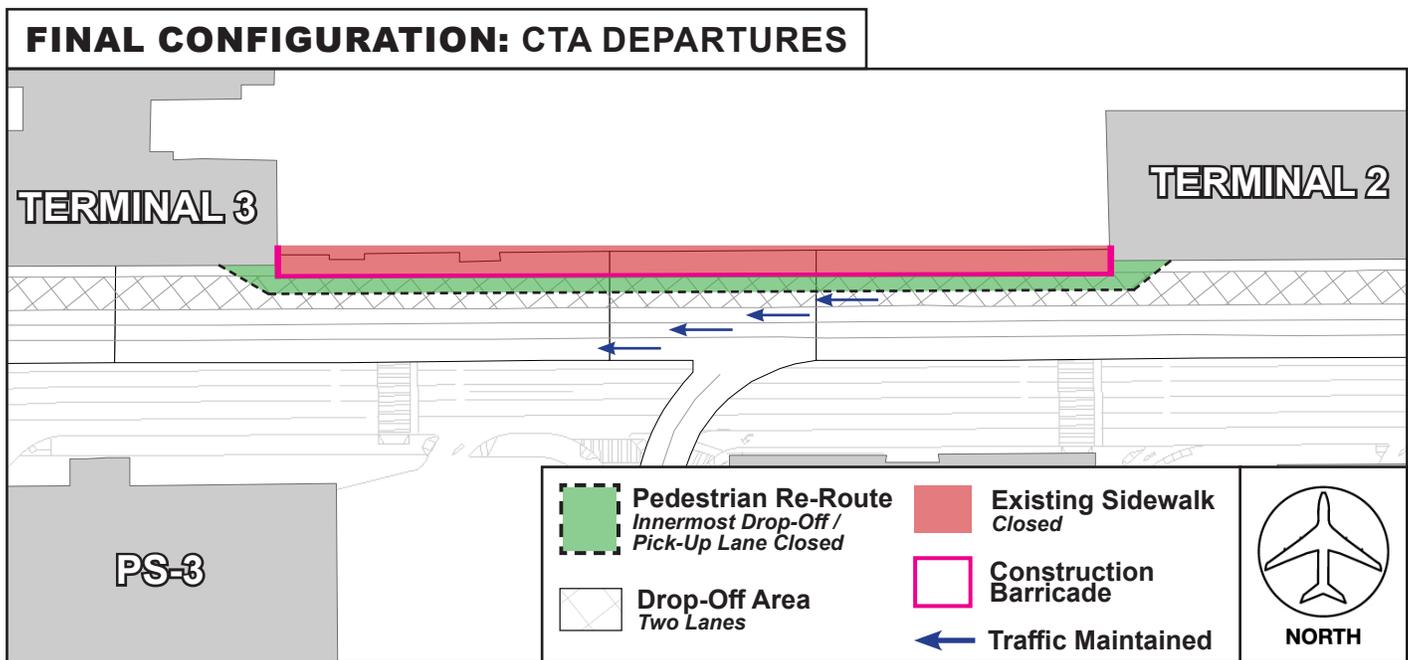

- To maintain pedestrian traffic, a temporary sidewalk will be built over the innermost Drop-Off / Pick-Up lane at this area
- While the temporary sidewalk is constructed, the existing sidewalk remains open
- Detour signage will be posted to assist with wayfinding

IMPACTS DURING BUILD OUT (APPROX. 5 WEEKS)

- Both drop off lanes between Terminals 2 and 3 will be restricted with passenger Drop-Off and Pick-Up prohibited at this area; through traffic will be maintained at all times
- The Terminal 3 Hotel Shuttle Stop will temporarily relocate 175 feet to the west

FINAL CONFIGURATION

- Upon completion of barricade construction, one Drop-Off lane and three regular lanes of traffic will be maintained; pedestrian traffic is maintained via temporary sidewalk
- * Future intermittent lane restrictions at this area may be required for additional work related to this project. Updated notice(s) will be issued as needed.
